SPRING IS FINALLY HERE!

Welcome to our September Newsletter! Yes we have been very busy here at Suncoast, so I firstly wish to apologise to our loyal subscribers for the last few months. We have had some very busy months here and have also been madly stocktaking our massive range of products. This years stock take has revealed that our showroom now holds over 2500 different products! We truly do have a huge range of products, of all shapes and sizes.

Things have been warming up lately! The weather has been fantastic, plenty of visitors to the area who are soaking up the sun. So, because things are getting warmer we are running an early bird special for this month only on a range of air conditioners from under bunk/ ducted style, to roof mounted. Check out page 3 for your chance to grab a bargain before summer hits!

In June we had the pleasure of working at the Dometic stand at the Caravan & Camping show in Brisbane. Appeared to be a great turn out this year, plenty of new products & vans galore! We had a chance to play with some of the new products available in the near future from the Dometic

Bruce, Jenny, Letitia & Hayden Beausang

Range. We will feature these in coming months.

We are also featuring summer holiday products throughout this newsletter, from shade walls to external showers and more.

I would also like to make a mention of the club members discounts available in our show room. We offer a 10% discount on parts only for ACC (Australian Caravan Club) members, and a 5% discount on parts only for Coolum Caravan Club members. Please be aware you will need to present your membership card in order to receive one of these discounts.

Well that's all from me for now. Hope everyone has a great month, look forward to seeing you all soon!

New Products in Store

SmartSpace Pots - Space Saving Cookware

SmartSpace cookware not only saves space on the cook top, it also saves space in your cupboards.

SmartSpace was designed to stack. Each pot stacks neatly inside the next. The revolutionary handle is removed and stored at the click of a button. SmartSpace cookware can also be used to store food in your fridge. The clever steam venting system doubles as a seal for storing.

SmartSpace is smart cookware that fits even the most compact stoves.

Round pots waste a large portion of any cooking surface. This can be particularly frustrating in RV's, caravans, motor homes and boats. SmartSpace cookware makes smart use of your cooktop.

Features:

- ✓ Durable drop forged 3mm aluminium walls
- ✓ Unique shape to fit on stove
- ✓ Pots, lids, handle all stack inside one another for easy storage
- ✓ Pots will also stack in frypan
- ✓ Custom silicone mats for stacking and use on benchtop
- ✓ Stylish detachable handle that fits all 4 sides of the pot
- ✓ Lids are resealable for storage in refrigerator

SmartSpace pots—3 x pots & lids, 1 x detachable handle, 3 x custom silicone mats

SmartSpace Frypan—1 frypan, 1 x detachable handle, 1 x custom silicone mat

TSS portable Toilet Holding Tank Deodoriser & Sanitiser

TSS Deodoriser Sachets provide excellent long-term odour prevention for all motor home, caravan, camping and recirculating and portable toilet applications. TSS sachets provide the ultimate convenience in the form of a pre-measured holding tank deodoriser. Each sachet dissolves quickly upon contact with water releasing powerful odour control while continuing to break down solid waste matter and paper. Safe on pipes, pumps & valves.

- ✓ Biodegradable
- ✓ Easy to use, Easy to store
- ✓ Unbeatable odour prevention
- ✓ Breaks down solid waste & paper

Jack Digital TV Antenna

Your way to receive crystal clear digital high definition television. Built in amplifier for maximum VHF and UHF reception. Universal bracket for pole mounting. Perfect antenna for caravans, RV's and residential.

Antenna Kit contains:

1. Jack (R) Antenna Head
2. Pole mount bracket
3. Power Supply
4. Power Injector
5. Universal; Antenna Head

SUMMER SHADE

Made For Shade Custom Made Shade Walls

Made For Shade shade walls are custom made to your exact requirements. They feature 6mm rope track and eyelets for secure fastening and easy install. The standard drop is 2.0M, however if you would like your drop to be longer or shorter that is not a problem.

Made For Shade Walls feature:

- ✓ 10 Year UV warranty on shade cloth & thread
- ✓ Vinyl rope edge (for ease of use)
- ✓ Stainless steel eyelets (non-corrosive)
- ✓ Bunji/shock cord loops at base.
- ✓ Choice of colours available

Ready Made Shade Walls

The Coast Awning sunscreen is quick and easy to install, taking a measly 15 minutes for the less experienced caravanner to achieve setup. Once you have taken it out of the packaging, just shake it out, grab the end without the eyelets and start threading it through the groove on your rollout awning. Metal pegs & rope ties are supplied also.

Coast Sunscreens have a 95% shade rating and will still allow the breeze to come through. Lightweight for ease of storage and transport and comes with its own carry bag. Sizes Available: 2805 x 1800mm (10'), up to 5245 x 1800mm (18') in 1' increments.

Annexe Floor Matting

Annexe floor matting helps keep sand, dirt and grass etc out of your van. They come in a variety of sizes to suit and most come with a storage bag to keep things nice and neat. We have a selection to choose from - the popular Enduromat, the G.O Mat which is a greyish mat in a thicker style of material, and the rubber like Multi purpose floor matting from Coast RV.

External Shower Units

Can be mounted on the outside of your vehicle. The hatch is fade and impact resistant, UV stable and can be painted. Key lock ensures security.

Dimensions: 340 x 210 x 135mm (approx)

DID YOU KNOW?

That we are Dometic Premium Dealers?

This means we are preferred by Dometic and we have a range of spare parts and products in store. If we don't have it in stock, we can get it in for you by the next afternoon in most cases. - ✓ Huge range of accessories - even the kitchen sink!
- ✓ If we don't have it, chances are we can source it for you
- ✓ Need it posted? No problem!
- ✓ Lots, lots more!

A WEEKEND AT COBB & CO

Jenny and I arrived at Cobb & Co Nine Mile on Noosa Rd, Kybong at about 4.30Pm, having previously “escaped” early from Fishermans Rd. We had an interesting drive in from the Matilda Service Station at Kybong when we met a large plant carrying an excavator on the back coming the opposite way. We were just very lucky that we met at a convenient spot to get the Traveller off the road to let him pass – otherwise it would have been a good reversing test on the very narrow road to get out of the way.

The gravel road over the last couple of kilometres to camp added to the country feel of the weekend prior to arriving at our campsite. The Cobb & Co Nine Mile campground is a rural property lying on the banks of the Six Mile Creek, flat with cleared areas amongst the trees. The grass is short, no prickles though a septuagenarian tough guy in thongs reported a green ant bite. (Remember it is the middle of winter so who wears thongs anyhow!) We proceeded to set up camp and settled in for a night of socialising around the fire.

The next morning I opened the door to the van to see a white frost, even our two dogs decided to keep their legs crossed and where in no hurry to go for their morning walk. I guess that they enjoyed the pleasant inside temperature thanks to our Dometic gas heater in the Traveller as much as we did!

We spent the rest of the day relaxing and strolling around the property, enjoying the creek and billabong and marvelling at the height of the floods earlier in the year.

Another night around the campfire – bigger than last night’s thanks to some old railway sleepers that ‘fell off the back of a truck’ and concluding with a quiet port, completed a very relaxing day and weekend.

You can find out more about the Cobb & Co Nine Mile camp grounds by visiting:
